Dear Harold and Lilian,

Our very best wishes for a Happy New Year, with health, peace, success and happiness. We often speak of our trip to Washington D.C. - it was definitely one of the highlights of 1995 for us. Dennis is hoping to get some funding from St Anselm's to continue working on the book. If it comes through we'll be able to visit again this year. If not he'll continue to walk long distance like he is now.

Take care and Merry Christmas

Greetings of the Season
and best wishes
throughout the New Year
